Residential Projects in MMR

WE HELP YOU MAKE THE INVESTMENT

Propscience is India's first direct to customer research-driven real estate portal specializing in residential real estate. We are not backed or associated with any builder, bank, or broking firm, nor do we offer any property management services. We are an unbiased entity focused solely on providing accurate and frequently updated information to prospective homebuyers and homeowners of under-construction properties in MMR.

We offer homebuyers and new home owners detailed information across 450+ data points along with several decision-making tools to help them make the best assessment of their prospective investment. At present we have over 2000 projects visible on our site, spread across MMR, catering to varied ticket sizes.

LOCATION

The project is in Mira Road East. Mira Road West is a locality of the Mira-Bhayandar Municipal Corporation, that is a part of the Thane district of the state of Maharashtra. Its an undeveloped locality of Mira Bhayandar compromising of several government regulated Salt Pans, marshes, and mangroves. This locality does not have any residential or commercial developments. It is connected to the rest of the city and the city of Mumbai via the Mumbai Suburban district railway line.

BUILDER & CONSULTANTS

RNA Corp is one of the development companies issued by India, with over 30 years of experience in development, construction, management and leasing, and other allied services for individual and corporate customers. Under the capable leadership and efficient management of Narendra Gupta, RNA Corp has constantly evolved as a dynamic society and contemplates the creation of value through technological excellence and the quality of the construction. Over the past 10 years, the company has developed a lot of residential and commercial space. They have undertaken several projects both in the central area and western areas in Mumbai. They carefully planned each house and run with a lot of touches in the same way in view of the position, lifestyle, and taste of residents.

PROJECT PROPSCORE

Propscience uses a unique and highly proprietary algorithm to arrive at Propscores for every project it covers. This score is calculated out of 100 points. Through our detailed research we gather over 500 data points of information about each project. These data points are broken down into categories (mentioned below). An individual score is

arrived at for each category and then a combined project Propscore is given. The purpose of the Propscore is to help you evaluate the distinct value you can hope to derive from each aspect of the project.
